

Welfare Farrowing Crates-SowEase™

Features

Optimal productivity requires a safe, comfortable farrowing environment for sows and piglets. Our high-quality farrowing pens are designed to enhance animal welfare and maximize production efficiency.

Dimension

Free Access isn't just 'no cage' — it's about respecting sow behavior. Our Open Crates offer 3.0-4.0 m² of activity space for sows (1.5x more than standard crates), allowing natural nesting before farrowing and free movement after
